## **A Message from the JIA Executive Director Concerning Residential Leases**

Dear Jekyll Island Residential Leaseholder,

During Monday's Jekyll Island Authority (JIA) Board Finance Committee meeting, members decided to postpone bringing forth a recommendation to the full JIA Board due to insufficient time needed to review the most recent information and input.

At the November 3rd meeting of the Finance Committee, members discussed the possibility of a floor and cap as well as other provisions. Upon further analyses, it was felt that additional study was warranted.

Yesterday, Finance Committee Chairman Mike Hodges announced a special Finance Committee meeting for Monday, November 16 at 8:30 a.m. This meeting will be held in Room 9 of the Jekyll Island Convention Center and, like all JIA meetings, will be open to the public.

In the meantime, please be assured that all comments received in our offices are being distributed to members of the Finance Committee and the JIA Board for their review. If you would like to share additional comments, please send those to me at [jhooks@jekyllisland.com](mailto:jhooks@jekyllisland.com).

Sincerely,  
C. Jones Hooks, Executive Director
